SPICE UP YOUR BARBECUE

Our BBQ boxes are designed to bring a bit of variety to your barbecue with a delicious selection of expertly prepared Indian dishes – straight from our kitchens to your back garden.

In the box you'll receive the same high-quality produce that you'll find in our restaurant, specially prepared and marinated so you can simply take it out and stick it straight on the barbecue – no preparation required. All the food is provided raw, so you will need to cook thoroughly.

Our main box contains a selection of seven meat dishes, perfect to feed a group of around 6-8 people. If you fancy trying something different, or need some more food, take a look at our extra dishes, which we can add to your order – this is also where you will find our seafood.

We know everyone's barbecue is different, and people will want to cook it in different ways, so we haven't included specific cooking instructions. Just make sure everything is cooked through before serving, and we advise leaving the chicken to the end to avoid contamination.

And if you fancy listening to some Indian music while you are grilling, our Spotify playlist has got you covered.

We hope you enjoy!

A SWEET, THICK, DARK SAUCE THAT GOES WELL AS AN ACCOMPANIMENT WITH ALL THE BARBECUE FOOD, ESPECIALLY FISH.

2. WEDGES OF LIME

CHEF'S TIP: SQUEEZE THE JUICE OF THE LIME, ALONG WITH THE KEBAB MASALA, ON TOP OF THE COOKED MEAT TO GIVE IT AN EXTRA ZESTY KICK.

3. SPICE MERCHANT TOMATO SAUCE

OUR OWN TOMATO SAUCE MADE WITH CURRY LEAVES, MUSTARD SEEDS AND CANE SUGAR. GREAT AS A SIDE FOR ALL DISHES.

4. MINT SAUCE

CHEF'S TIP: THIS GOES PERFECTLY WITH ALL THE LAMB DISHES.
